

Linea turn your attention with its style and elegance.
LED light installed at the bottom of the desk adds the sophisticated style and gives you the impression that the room is bigger.

LINEA

It is detail that makes a good design.
Little elements adding character and the quality of materials they are made of. Front and top elements are made of glass, while the corners are decorated with noble stainless steel.

LINEA

Clear lines, light design and the shiny white of Linea will bring design to any room. Soft contours of the Linea reception desk are emphasized by yellow of lacobel glass and glamorous counter made of tempered glass.
